The purposes of these regulations are to:

1. Expedite university business and provide maximum safety and convenience;
2. Regulate parking, with priority given to:
 - a. services of the campus;
 - b. persons who need vehicles in connection with their work; and
 - c. staff and students who need private vehicles because of a disability or other approved reason;
3. Provide and maintain suitable campus parking and traffic facilities; and
4. Provide incentive for participation in the commute trip reduction program.

WAC-504-14-030: KNOWLEDGE OF PARKING REGULATIONS

It is the responsibility of all individuals who park on campus to read and fully understand these regulations. A lack of knowledge of these regulations will not be accepted as grounds for dismissal of citations.

WAC-504-14-040: APPLICABLE PARKING AND TRAFFIC LAWS AND REGULATIONS

The following regulations apply on state lands owned and/or controlled by WSU Spokane:

1. The motor vehicle and other traffic laws and regulations of the state of Washington (Revised Code of Washington);
2. The WSU Spokane parking and traffic regulations;
3. The motor vehicle and other traffic laws and regulations of the City of Spokane.

WAC-504-14-050: EMERGENCIES

The president delegates to the WSU Spokane campus dean the authority to suspend, modify, or repeal any or all provisions for an authorized campus special

event or in the event of an emergency, disaster, or other like contingency. Such action shall be limited in duration and scope to meet the institutional needs and/or address the dangers of the contingency.

WAC-504-14-060: ADVISORY AND GOVERNING BODIES

The parking and traffic committee of the faculty senate and the parking and traffic committee of the staff senate. These committees make recommendations on regulations governing campus traffic and parking control; review the administration and enforcement of traffic and parking regulations; make recommendations for physical improvements in parking facilities; consult, where appropriate, with authorities on traffic matters; coordinate campus traffic planning with the work of the university planning committee; and review alternative modes of transportation. The parking appeals committee.

This presidential standing committee has members representing faculty, staff, and students. The committee establishes and maintains an appeals procedure for parking violations on campus; hears appeals as requested and renders decisions; and informs Parking Services of recurring problems related to the enforcement of parking rules and regulations.

WSU Spokane at Riverpoint Parking and Security Services are responsible for the cooperative administration and enforcement of these regulations. This responsibility also involves recommending the installation of appropriate traffic and parking signs, maintaining a registration record system, issuing permits, patrolling the university campus, and keeping a record of the violations, warnings, court summonses, and arrests.

WAC-504-14-080: SEVERABILITY

If any provision of this chapter, chapter WAC-504-14, or its application to any person or circumstance is held invalid, the remainder of the chapter or its application to other persons or circumstances is unaffected.

2. Restricted spaces: These spaces are restricted for their designated purpose at all times (twenty-four hours a day, seven days a week):

- Disability
- Load/unload
- Service
- Reserved
- Reserved (bagged) meters
- Specially signed areas

WAC-504-14-220: SIGNED AND MARKED AREAS

1. Parking on campus is allowed only in the marked and/or signed spaces in areas and on streets. All other areas outside these designated areas are "No Parking Zones." Each parking area has signs or markings to indicate the type of permit or permits required and times at which they are required.
2. Individual parking spaces are marked and no vehicle may be parked so as to occupy a portion of more than one parking space. The fact that other vehicles were parked in a manner requiring a vehicle to occupy a portion of more than one space shall not constitute an excuse for a violation of this rule.
3. Should there be a conflict between these regulations, map designation, and on-site signs regarding parking instruction, the on-site takes precedence.
4. Permit areas and restricted spaces are not always signed individually.

WAC 504-14-250: MOTORCYCLES AND MOPEDS

All permit applications shall provide that the university may withhold unpaid fines from any sums owed the permit holder and to treat the same as a debt.

WAC-504-14-430: CHANGE IN RESIDENCE OR LICENSE PLATES

WAC-504-14-440: TERM OF PERMIT; TRANSFER OF PERMIT

Permits are valid up to and including the expiration date on the permit.

The ownership of permits is generally not transferable, but exceptions can be made by WSU Spokane (Parking Operations) provided that the:

- The person relinquishing ownership and the eligible purchaser appear in person at WSU Spokane (Parking Services) when requesting such a transfer;
- The former owner relinquishes all ownership or claim to the permit and pays all outstanding fines; and

1. Sold or traded vehicles: Failure to advise WSU Spokane (Parking Services) of a sale or trade for registration purposes may result in continued responsibility to the permit holder for citations received on that permit.

The permit holder has responsibility for removing parking permits prior to selling or trading a vehicle. The identifiable remnants of the original permit must be presented to Parking Services to receive a free replacement. Persons failing to comply with requirement shall pay the cost of a new permit.

2. Lost or stolen permits: Permit holders are responsible for the security of their permits. The theft or loss of parking permit should be reported to WSU Spokane (Parking Services) immediately upon discovery. A stolen permit will be replaced once at no cost, but only if a theft report of the permit has been filed in the appropriate police jurisdiction and verified by WSU Spokane (Parking Services). The second time the permit is reported stolen, the replacement fee will be ten dollars; the third time, twenty dollars; and thereafter, the original cost of the stolen permit. Lost or stolen permits must be returned to the Parking Services office immediately if recovered.

WAC-504-14-460: FALSE INFORMATION

A violation of this section includes giving a false name, address, social security number, and/or other information known to be false. - a. If a student or staff member fails to pay the fine assessed for any violation, the fine will be referred to the WSU controller's office for collection. The controller may, if other collection efforts fail, deduct outstanding fines from the salary warrants of employees or withhold the amount of the outstanding fines from damage deposits or other funds held for any student in order to secure payment. Where collection efforts are unsuccessful, the controller may notify the registrar to refrain from issuing

student transcripts or to withhold permission to re-enroll for a subsequent term until outstanding fines are paid.

b. The procedures discussed above are not exclusive, however, and failure by anyone to pay fines may lead to towing or use of the wheel lock device described in these regulations. Nor are the procedures discussed above a precondition to towing or use of the wheel lock.

2 .Impound by wheel lock or towing:

a. Any vehicle with an accumulation of three or more unpaid parking violations or any vehicle displaying a lost or stolen permit may be temporarily immobilized by use of a wheel lock device placed on a wheel. A \$50 fee will be assessed on vehicles that are immobilized with a wheel lock.

1. Has been immobilized by a wheel lock more than 24 hours; or
2. Is illegally parked in a marked tow-away zone; or
3. Is a hazard or obstruction to vehicular or pedestrian traffic (including, but not limited to, vehicles parked at curbs or rails painted yellow or red or in crosswalks); or
4. Cannot be impounded with a wheel lock device; or
5. Is illegally parked in a disability space.

c. The driver and/or owner of a towed vehicle shall pay towing and storage expenses.

d. Any vehicle immobilized by use of the wheel lock device in excess of 24 hours will be assessed a storage fee of ten dollars for each calendar day or portion thereof, beyond the first 24 hours.

e. The university assumes no responsibility in the event of damages resulting from towing, use of wheel lock devices, storage, or attempts to move a vehicle with a wheel lock device installed.

f. No vehicle impounded by towing or wheel lock devices shall be released until the following fines are paid in cash:

1. All unpaid parking violation penalties against said vehicle and any other vehicle registered to the violator;
2. A \$50 wheel lock fee;
3. All towing and storage fees.

g. Any vehicle impounded pursuant to these regulations in excess of 30 calendar days shall be considered an abandoned vehicle and shall be disposed of in accordance with chapter RCW 46.55

h. A person wishing to challenge the validity of any fines or fees imposed under this subsection may appeal such fines or fees as elsewhere provided in these regulations. However, in order to secure release of the vehicle, such person must pay the amount of such fines or fees as a bond that will be refunded to the extent the appeal is successful.

i. An accumulation of six unpaid violations during any twelve-month period, exclusive of meter violations, and overtime in time zone violations, will subject the violator to revocation or denial of parking privileges. Vehicles without permits that accumulate the above number of violations may be prohibited from parking on university property.

3. Failure to pay fines: Failure to pay a fine or comply with other penalties assessed pursuant to these regulations, after exhausting or failing to exercise appeals provide for in these regulations, constitutes a violation of RCW 28B.10.560. A citation or complaint for such violation may be issued and filed with the district court. Upon request of the university, the department of licensing may withhold vehicle registration pending the payment of outstanding parking fines.

WAC-504-14-860: APPEALS PROCEDURE

1. Purpose: The parking appeals committee serves two primary functions:

- a. To assure an impartial evaluation of the circumstances relating to a particular parking violation; and
- b. To aid in the appraisal of parking and traffic problems.

2. Procedure: Any person who has received notice of a parking violation may appeal the alleged violation. The appellant may request more information from WSU Spokane (Parking Services). The appeal must be in writing and received at Parking Services within ten calendar days after receipt of notice of the violation. Forms for this purpose are available from WSU Spokane (Parking Services). The parking appeals committee will make an initial decision on the appeal within 20 calendar days during the academic year and 45 calendar days during the summer months after receipt of the appeal. The committee will serve a brief statement of the reasons for its decision on appellant within ten days of the decision.

[Go to Appeal at WSU Spokane Parking Violation.](#)

3. Review of initial decision: If the appellant is dissatisfied with the initial decision, he or she may request a hearing before the appeals committee. Such a request must be made within ten calendar days of service of the notice of the initial decision. If no such request is received, the initial decision shall be final. During the review hearing the appellant and representatives of WSU Spokane (Parking Services) may present and cross-examine witnesses. The hearing officer or appeals committee shall render a decision in writing and serve appellant with the decision within five calendar days after the review hearing.

4. Appeals to district court: RCW 28B.10.560 provides that a person who is not satisfied with the final decision of the university may appeal to district court. The application for appeal to district court shall be in writing and must be filed at the WSU Spokane (Parking Services) office within ten calendar days after service of written notice of the final decision. WSU Spokane (Parking Services) will forward the documents relating to the appeal to the district court.

Instructions for Parking Violation Appeals

Before appealing your citation, bear in mind the following:

When you became a student, or accepted a position with Washington State University, you agreed to abide by the rules and regulations of the University. The Traffic and Parking Regulations are a part of these regulations.

Permit holders are guaranteed a place to park. They are not guaranteed a space nearest to classes or place of work.

The fact that other vehicles are parked improperly does not constitute a valid excuse.

If an emergency or other extenuating circumstances are used as an excuse, documented proof must be attached to your appeal.

Not knowing the regulations is not a valid excuse.

Your past parking record will be a factor in their decision.

Suggestions, recommendations, or concerns about the regulations should be directed to Parking and Transportation Services at 509.368.6999.
